A Lift-the-Flap Book

It's summertime in Strawberryland, and Strawberry Shortcake is busy picking berries. "I can't wait to make my special jam!" She unloads a giant strawberry from her wheelbarrow, then hurries back to the garden.

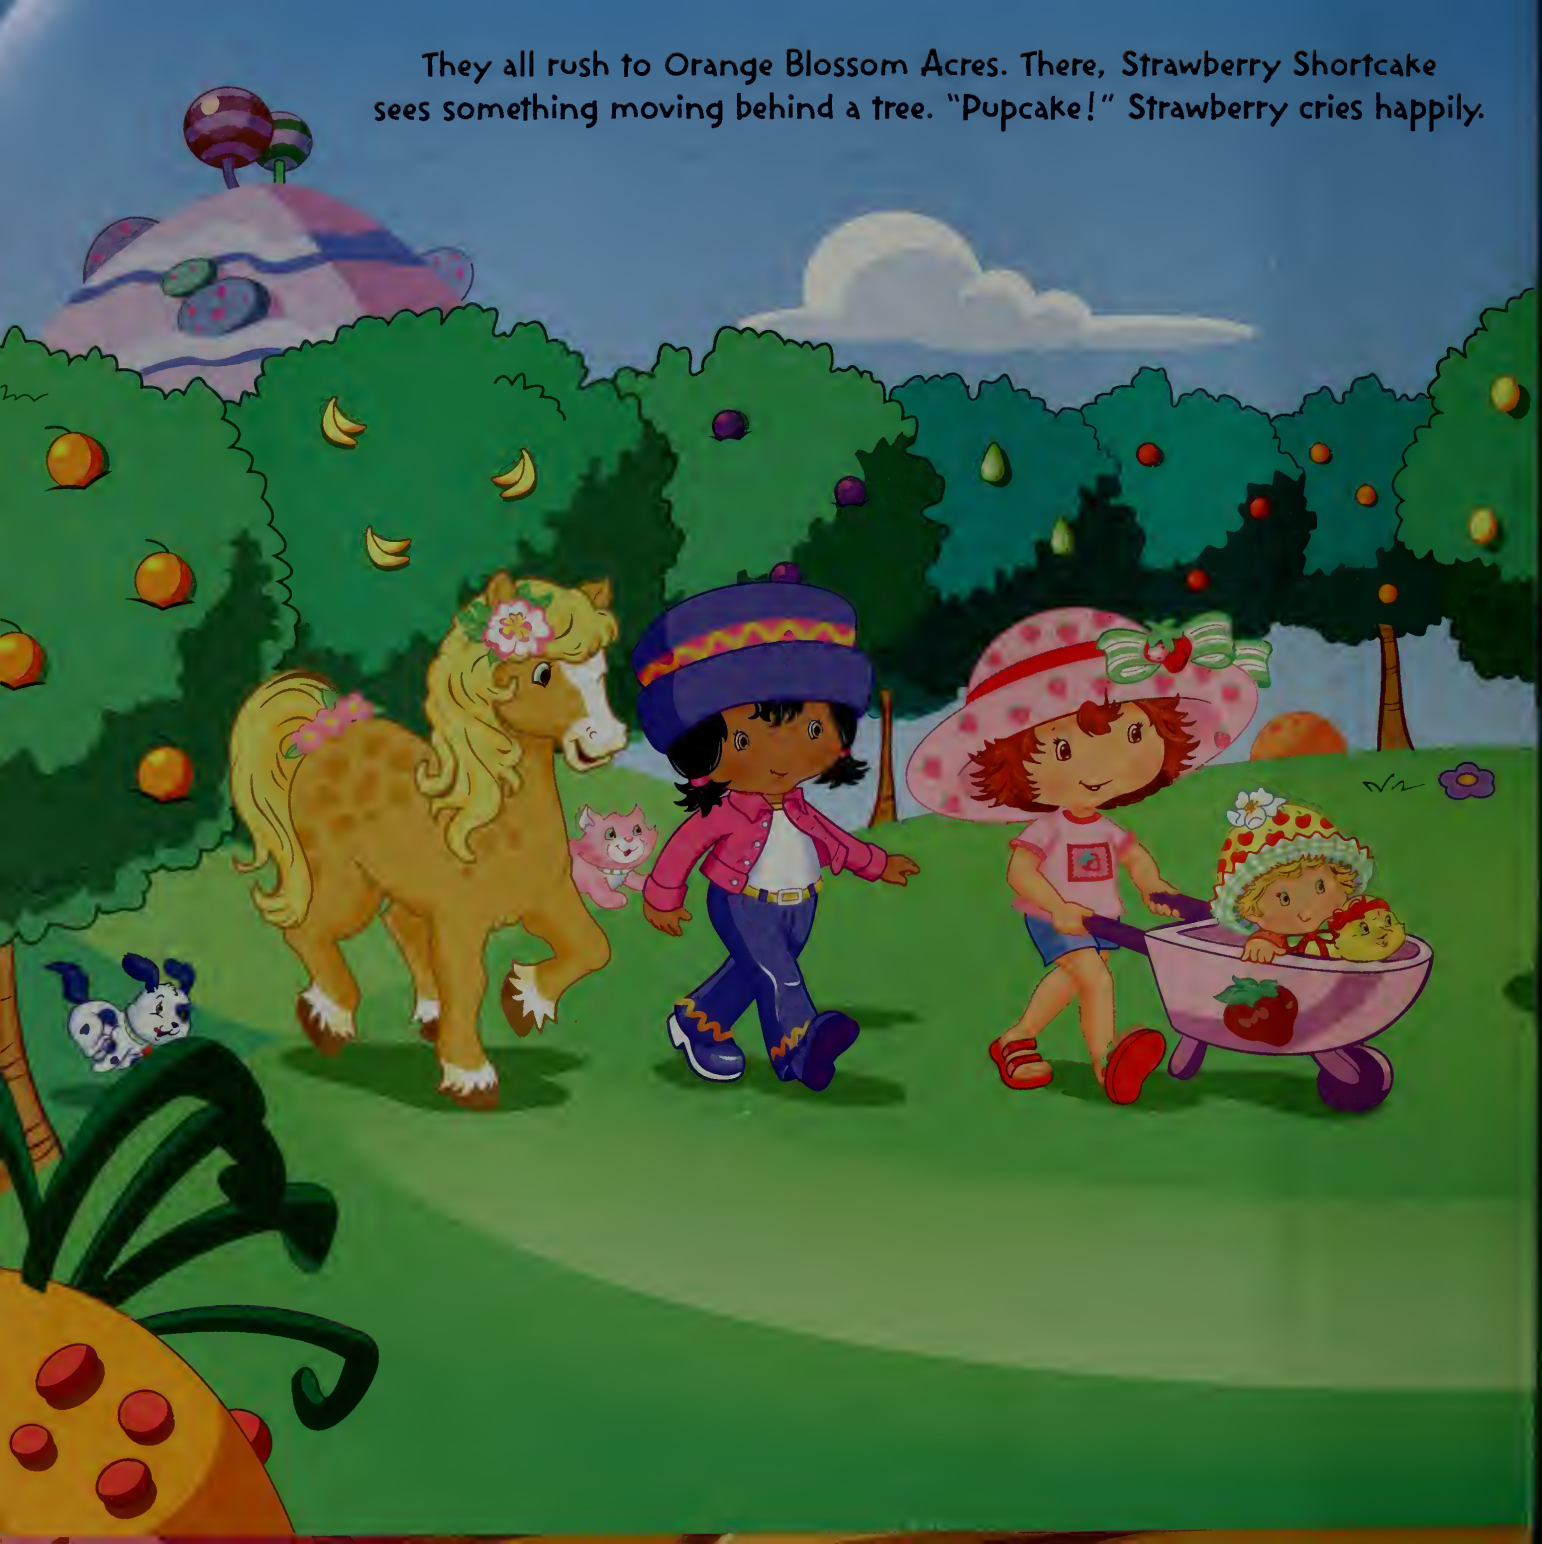
Oops! Strawberry left the door open! Who's that rushing out behind her?

Strawberry walks out to the road. "Custard! Pupcake! Where are you?" she calls.

Apple Dumplin' coos and points to a bush on the Berry Trail. Strawberry sees a spot of pink peeking through.

"Custard, is that you?" she asks.

The friends hurry to Cookie Corners. At the bakery door, Strawberry Shortcake calls, "Custard, Pupcake, are you in there?"



They all rush to Orange Blossom Acres. There, Strawberry Shortcake sees something moving behind a tree. "Pupcake!" Strawberry cries happily.

When they get to Cakewalk, they see Angel Cake in her yard.
"See, I was right!" says Orange Blossom. "There's Custard with Angel Cake!"
Angel Cake is holding something pink in her arms! Is it really Custard?

The friends rush to Huckleberry's house. Strawberry Shortcake sees a pair of eyes peeking through some berry bushes. Could it be Custard and Pupcake playing hide-and-seek?

When Strawberry Shortcake tells Huckleberry about her missing pets, he laughs. "Have you looked behind you?"

Strawberry Shortcake turns around and sees a tree. And behind the tree she sees . . .

"Why did you go for a walk without us?" asks Custard. "We've been trying to catch up with you and now I'm all tired," the cat complains.

Strawberry Shortcake hugs her pets. "I would never go for such a long walk without my berry best friends!"

Pupcake licks her face happily.

Custard purrs. "I should hope not!"
